

MM e-commerce solutions

We develop to make your work better and more efficient.

E-ShopModels

Our experience is your benefit. Perfect fitting – across all brands!

Our E-Shop Model is your photo equipment for a perfect "hollow man" effect. Equipped with magnetic pieces and optimized fittings, they are specially designed for the e-commerce.

Due to the different cutouts and the light construction, the effort for Styling, Photography and rework, is minimum.

E-ShopWorkspace

High image quality, consistent and flexible – is not possible? Yes it is!

The E-Shop workspaces are compared to other typical system solutions flexible in the presentation of your photos, and give you consistent results by always the same conditions. They enable best quality at a high performance, adapted to your needs.

There are no reflecting edges or creases like in a normal tent. The high-quality and sophisticated design of the acryl, simplifies reflecting of images. The aluminium frame ensures optimal ergonomics and recurring setups, which are quickly retrievable.

E-ShopEssentials

Here you find everything, what you always needed!

You are missing something in your studio and you do not know what? Our essentials are necessary tools, which simplifies your work in the Studio. Our "helpers", like "simple head" are fast and flexible to use. Slipping of caps, hats or helmets belongs to the past.

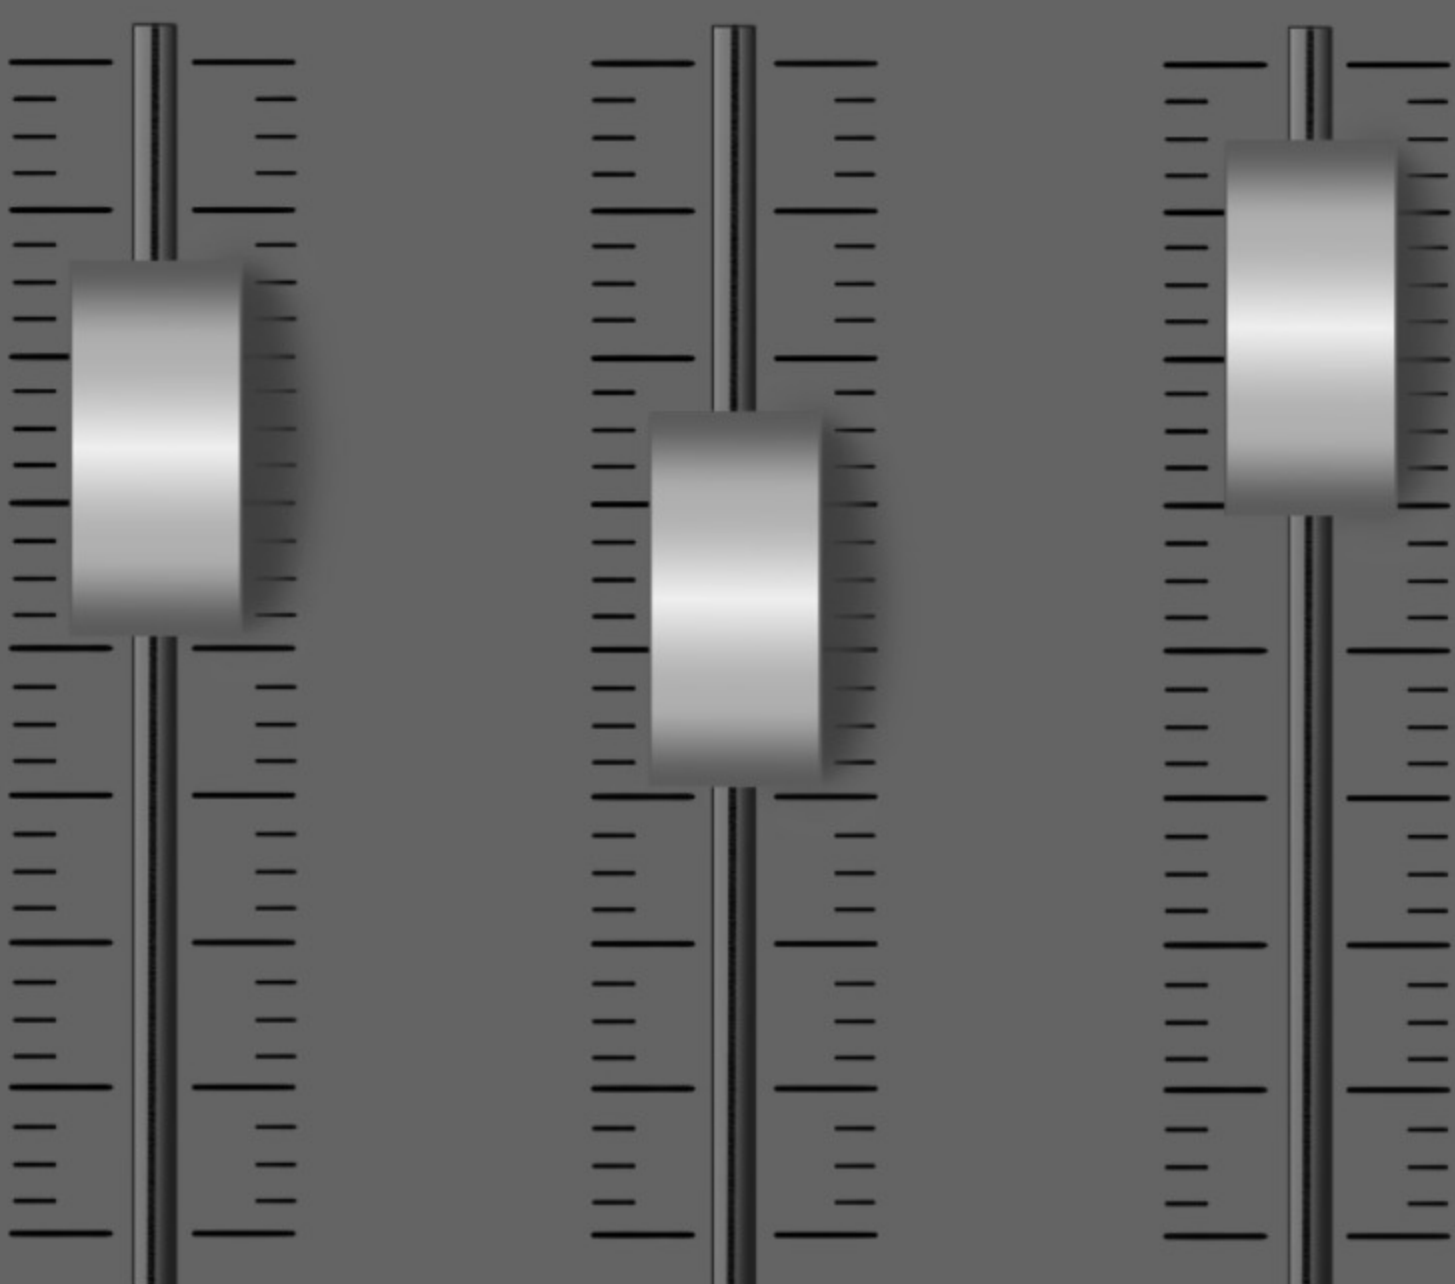

Special sizes and cutouts are not a problem anymore! Our essentials are little "helpers" with the highest impact. If you are still looking for an essential, don't hesitate to contact us, we'll search for the best option for you.
